<p>When attending chapter, state societies and district teleconferences I discussed the George Washington Endowment Fund, SAR Education Center and Museum and other issues relevant to the NSSAR and Western District of the SAR. Frequently I have been requested to install new chapter and state society officers. I also discussed the importance of retaining members and reinstating dropped members. A goal of every member should be recruit one new member or reinstate a dropped member. Remind dropped members that they spent a lot of time and money to become a member of the SAR.</p>
