Report and Recommendations

At the request of President Arthur Tulak of the Hawai'i Society, I authored a letter to Governor Ige of Hawai'i offering the society's help during the Semi-quincentennial. The NSSAR "America 250 Video," created by the CASSAR, has been added to the Western District webpage. California Assembly Member Nguyen introduced AB-1600 to the California Assembly, which creates the California Commission for America 250. Both the CASSAR and the NVSSAR are participating in the "America 250 Minute" program, spreading the America 250 message at chapter meetings throughout their societies.
